Published: January 8, 2013

There's no better way to kick off an artful 2013 in L.A. than by visiting the newest gallery shows, and this January is a particularly prolific month in exhibitions. Here are the top 10 gallery exhibitions opening over the next few weeks.

"From Triple X to Birdsong (In Search Of The Schizophrenic Quotient)" at Kayne Griffin Corcoran, 2902 Nebraska Avenue, Santa Monica, January 12 — March 9, 2013

The Santa Monica gallery opens a group exhibition curated by ex-Palais de Tokyo director Marc-Olivier Wahler. The show focuses on the negative space of an exhibition through the work of artists such as Carol Bove, John McCracken, François Morellet, and Oscar Tuazon.
